LETTER OF DENIAL

BE IT KNOWN TO ALL TRISKELION

It has reached to the attention of **Tau Gamma Phi – Anos Chapter** that **Giancarlo Blanguisco ALIAS “Chonki Boy”** has been claiming to be a Triskelion and he had undergone initiation rites on the day of May 5, 2001.

Upon verification and thorough investigation, we didn't find any records or information of a certain person name as **Giancarlo Blanguisco ALIAS “Chonki Boy”** in our master list. We even asked our Phi and Sigma members in our chapter if they are familiar with the above mentioned name but no one knows him or can vouch for him.

Therefore, we would like to inform that **Giancarlo Blanguisco ALIAS “Chonki Boy”** is not a bona fide member of **Tau Gamma Phi Anos Chapter**.

Prior to the issuance of this Letter of Denial, this person and his Fraternal Information's are all false or fake, proving that he did not undergo initiation rites
